STORY SCRIPT

Once upon a time there were three goats: a small baby goat, a medium sized goat and a very large goat with great big horns.

They lived on the rocks by the river. Nothing grew on the rocks. On the other side of the river grew a lot of grass. Goats eat grass. If they wanted to eat the grass they had to cross the bridge to get to the other side of the river.

Under that bridge lived a very mean troll. He did not want to share his bridge. One day the smallest goat was very hungry and he decided to try and cross the bridge. Clip-clop-clip-clop. The troll heard the goat’s footsteps and he poked his head out and said.....

Who’s walking on my bridge?

Who's walking on my bridge?
Hi-ho the Deerio
Who's walking on my bridge?

And the goat said, "It's me, the smallest goat"
The troll asks, "Where are you going"

The goat replies, "Across the bridge to eat the grass"

The troll growls, "No you're not. I'm going to eat you up"

I'm going to eat you up
I'm going to eat you up
Hi Ho the Deerio
I'm going to eat you up
